VII. The Genealogy from Adam to Noah 4

The abrupt shortening of the human life span 1

“The flood is the result of the sins of mankind.”

(Genesis 6:11) Now the earth was corrupt in the sight of God, and the earth was filled with violence (חַמָּס, chamas: violence, wrong).

(Genesis 6:12) God looked on the earth, and behold, it was corrupt (שחַת shachath: corrupt, decay); for all flesh had corrupted their way upon the earth.

(Genesis 6:13) Then God said to Noah, “The end of all flesh has come before Me; for the earth is filled with violence because of them; and behold, I am about to destroy them with the earth.”

→ The sins of mankind brought the shortening of the human life span.
